CUPE- our workplaces: South Zone Maintenance/Bus

The summer carpet cleaning crew, **Wendy Bratiuk** and **Janice O'Connor** are devilishly proud of their new baby, the carpet machine!

Wendy is Custodian at Woss Lake Elementary, as well as the Lawnmower Woman for the teacherages located in Woss.

Janice really gets around the district as Courier, spare Bus driver, and Bus washer. A formidable team certainly not to be messed with!

Samantha Soutar and **Cindy Rose** both work in the School Board Office.

Samantha is CUPE Payroll Clerk 2, and Cindy works in Accounts Payable/Accounts Receivable. Like the famous Mona Lisa, the question is, why are they smiling? Well now.....we'll just have to ask them.

Pictured here is **Marg Smith**, last seen cleaning desks at Eagle View Elementary where she works as a Custodian.

What a coincidence! She obviously loves her job, and was quite reluctant to leave the building before midnight.

Iris Stephens is always ready for action! As a Custodian at Eagle View Elementary, her job skills are forever put to the test. Here, leaning on her broom, near exhaustion, and keeping a stiff upper lip, she easily handles every custodian's nightmare.
